

Philcoat Systems and Solutions, Inc., was established on August 01, 2011 and appointed as the official distributor of Sherwin-Williams, Inchem Wood Coatings and Sayerlack brands in the entire Philippines.

Our Mission

We aim to be the leading provider of surface coating solutions in the Philippines, offering products of the highest quality at competitive prices and accompanied by value added after sales and technical support.

Our Vision

We aim to be the leading wood coating solutions provider in the Philippines archipelago, providing products and services of the highest quality and with competitive prices.

Our Values

- ***Corporate Discipline***

Discipline is the foundation upon which all success is built. We are what we have accomplished

- ***Commitment to Quality***

We believe in quality of our work, we want quality to be attached not only to the products, but to the services that we provide

- ***Teamwork***

We value each member's strength and understand each other's weakness

Together Everyone Achieve More

- ***Excellent***

We grow with learning. We ensure improvement in all our doings. We will always believe that there is a better way.

Our People

We believe that our growth and progress is dependent on the dedication and commitment of the members of our team. As part of our overall employee improvement program, we invest in our people by sending them for training courses to upgrade their skills.

Our Services

We not only offer best-in-class coating materials to our clients but also provide solid custom-made technical support to various wood-based finishes such as; residential and office furniture, wooden doors, wood moldings, kitchen cabinets, dinning sets, stairs, wood or parquet flooring, decks, outdoor furniture and fixtures and glass coatings.

With our established network in Asia, Europe and in the U.S we can provide our customers the access to more advanced coating systems to meet our clientele's demanding paint and glass requirements.
