**SAVERLACK**, a Sherwin-Williams brand, is a leader in the professional field of wood coatings. Saverlack works with the aim of creating products that protect wood from weather and time, enhancing its natural beauty. The aim is to offer high quality but easy to apply coatings different from the traditional synthetic ones, exhibiting many advantages such as ease of use, durability, and benefits for the environment. While environmental consciousness is a priority, Saverlack is the leader in innovation of technologies and finishes that reduce environmental impact. Saverlack is an ISO 14001 and ISO 9001 certified.

**Offers:**

- Excellent Transparency & Build
- Excellent Elasticity
- Hardness
- Adhesion Resistance
